Change of Attitude & Targets Set

Win The League in Both AIL 2C and Junior J1B

- We have to become a club with a “Why Not” attitude to achieve our goals
- To continue to create young players for Connacht and Ireland and to change the perception that a move to other perceived bigger Connacht clubs are better for players careers
- In the upcoming seasons the AIL will change massively and to give ourselves the best possible chance of been in the new look AIL we need to get as high as we can.
